

To complement our windows and doors, all our conservatories are available in the complete range of Windows & Doors colours and finishes – so you can be sure that your new windows and doors will blend in perfectly with its surroundings.

The Windows & Doors Impressions Colour Range is designed to offer complete adaptability and versatility. The range includes a variety of shades designed to complement a range of house styles. A new colour in the range is Agate Grey, a colour that was developed following extensive research into trends within the home improvement market. A subtle blend of beige, green and cream, the shade is already very popular on new and renovated homes, especially barn conversions.
